Journal: Chinese Geographical Science

The undersigned authors, with the consent of all authors, hereby assign to Chinese Geographical Science, the copyright in the above identified article to be transferred, including supplemental tables, illustrations or other information submitted in all forms and media throughout the world, in all languages and format, effective when and if the article is accepted for publication. Authors also agree to the following terms:

1. The author warrants that the article is original, written by stated author/s, has not been published before (partly or in full)
2. A single study is not split up into several parts to increase the quantity of submissions and submitted to various journals or to one journal over time (e.g. "salami-publishing")
3. The article does not infringe the rights of others, and that any necessary written permission to quote from other sources have been obtained by the author/s
4. No data have been fabricated or manipulated (including images) to support your conclusions
5. The article contains no libelous or other unlawful statements and does not contain any materials that violate proprietary right of any other person, company, organization, and nation.
6. If the article was prepared jointly with other authors, the author(s) agree with the authorship sequence.
7. If discrepancies arise in the case of 1 to 5, all the responsibility are borne by the authors and authors are responsible for economic losses of the editorial department
8. The manuscript has not been submitted to more than one journal for simultaneous consideration
9. The author signs for and accepts responsibility for releasing this material on behalf of any and all co-authors
10. If the article was prepared jointly with other authors, the signatory of this form warrants that he/she has been authorized by all co-authors to sign this agreement on their behalf, and agrees to inform his/her co-authors of the terms of this agreement.
11. After submission of the agreement signed by the corresponding author, changes of authorship or in the order of the authors listed will not be accepted by Chinese Geographical Science, Science Press and Springer.
12. Research grants from funding agencies (please give the research funder and the grant number)
13. If articles contain studies with human participants or animals by any of the authors, authors warrant that *all procedures performed in studies involving human participants were in accordance with the ethical standards of the institutional and/or national research committee and with the 1964 Helsinki declaration and its later amendments or comparable ethical standards. All applicable institutional and/or national guidelines for the care and use of animals were followed.*

I confirm that I have read and accept the full terms of the Journal's article publishing agreement.
